- **Little Muskego** – As a note, fishing is closed and will open on Mar 5, 2018. You can still waterfowl hunt during the drawdown. On a side note, Ben Heussner was informed of some fish in 1-2' of water post drawdown, his crew was able to respond and he wrote the following:
 

“I am happy to inform you our crew was able to get our electrofishing boat out on Kingston Bay today. They effectively captured fish and safely transfer them to the main basin where they should have a much better chance at survival through winter. They transferred approximately 81 small walleye, 22 northern pike, 20 largemouth bass and > 900 panfish. Great job done by our technicians Steve Gospodarek, Kyle Olson and Chad Loomis! Feel free to forward this to others I may have missed.”
- **Fundraisers** – Rich Hawthorne contacted Wern Valley about a sporting event. Please get input from your clubs and let Rich know about the interest in attending a sporting event in late August/early September at the January meeting so planning can be going. Please e-mail Rich for any additional questions.
- **Business Memberships** – A business membership is \$25 and an advertisement will be placed in the meeting minutes. All business memberships need to be confirmed.
