MEMBER MATTERS:

- Paul Katzer – A Menomonee Falls Rod and Gun Club member brought up a concern regarding a vote on Question 85 of the Spring Hearings: *Do you support working for a ban on lead ammunition?* He stated of the there was a small margin against it:

85 Implement a ban on lead ammunition (131418) (requires legislation) 3868 (for) 4297 (against)

Jeff Hintz, WCC Delegate, responded that people are against lead bird shot. Tom Daluga responded that someone in a county requested a ban on lead and the committee considered it to be something the people should decide on, as it came from the people. It would exclude ammunition used in target shooting. MarySusan Diedrich, on the Rules and Regulations committee, can determine county by county votes, and will bring the information to the next meeting or contact Paul directly. It was stated, generally, online voting can distort opinions.

GOOD/WELFARE:

Good thoughts for Tom Daluga's granddaughter, who is having open-heart surgery next Tuesday (6/25).

The meeting adjourned at approximately 8:30.
