

Banquet Meeting Minutes  
October 20, 2021

Meeting called to order at 7:05 PM

Al Shook verified that Western Lakes will be available to us on Feb. 4. The cost of food will be going up so it was discussed that we should raise ticket prices from \$50 to \$60.

Advanced ticket sale price options were discussed for table of 8 for \$450. Pre-sale for raffle tickets could be \$175 for 50 tickets. Raffle ticket prices would stay the same. We could also look into Sponsor Tables.

Raffle Ticket Prices will remain the same at:

50 tickets for \$200

Includes chance to win gun

20 tickets for \$100

8 tickets for \$50

3 tickets for \$20

1 ticket for \$10

Wingspan Raffle Buckets will remain at \$20.

Al Shook noted that many businesses that donated in the past were hit hard due to Covid and may not be able to donate this year. He asked the clubs and individuals to bring in as much as they can for the wingspan raffle.

Randy talked about having 3 credit card readers. Having only two made the process slow. Bob offered the use of his phone for one.

There will be advanced ticket sales only to be picked up that night. The brochure will state the limited number of tickets available.

The brochures will be put into envelopes and mailed out mid-December

Randy will order the tickets to have available at the Nov. 10 meeting.

Meeting adjourned at 7:35.

Respectfully submitted,
