The North Prairie Fire Department is honored to host FDNY Rescue 5 on Friday July 27th, 2012 from 5-8pm.

The NPFD along with the NP Auxiliary and Tess Corners Fire Department donated money to bring FDNY Rescue 5 to Wisconsin for the Wisconsin Fallen Firefighter Memorial Motorcycle Ride on Saturday July 28th, 2012 and lead the ride. As a thank you, FDNY Rescue 5 will be at our station on Friday.

FDNY Rescue 5 is one of the three units that were salvageable after the attacks on the World Trade Center. Each borough in New York City has a Heavy Rescue for a total of 5. On September 11th, 2001 every firefighter that came out on the Heavy Rescue died. Rescue 1 and Rescue 2 were completely destroyed.

Come visit this awesome rolling memorial. Let's not forget what happened to so many of our brothers and sisters that day. Here is a once in a lifetime opportunity for you to see and touch a piece of history.

Food available by the NP Auxiliary.

T-shirts for sale by The Remembrance Rescue Project.

FDNY Rescue 5 is made possible by The Remembrance Rescue Project. The Remembrance Rescue Project is a not-for-profit group created by firefighters to restore, preserve and share FDNY Rescue 4 and Rescue 5. The Project strives to keep the memories alive of those lost on September 11th and all firefighters killed in the line of duty every year.
